

The regular meeting for the Grimes Park & Recreation Board on Wednesday, September 24, 2014 took place at 5:30 as a walk through Lions Park. The following list was created to share with FOX Engineering and City Council.

Roll Call: Morgan Molden, Cris Anderson, Brandon Neilson; Charmin Sterbenz; Park & Rec Director Brett Barber; Absent: Dennis Heiman, Council Liaison Doug Bickford

Tour of Lions Park- Identified top needs for this park as-

1. Restrooms/Concession/Counter/Storage Shed to replace current play area where swings are
2. Add Trail through Park w/ Memorial Flags and Plaques that connects sidewalk to trail on north side
3. New Playground Equip including new swings, lions theme, jungle gym, seesaw and edging- replace wooden structure
4. Add Landscaping/Shade Trees & Butterfly Garden, Benches along trail
5. Trail Lighting
6. Additional Parking on North Side Lot
7. Add Wood Bridge over drainage ditch to north parking lot
8. Story Walk with Signage
9. Fill in low spots and fix wood fence in south lot
10. Landscape with flowers around Park Sign to include rules

Some operational items above can be completed with those funds. Lions Club asked if they could help with manpower, funding for concessions stand, memorial. Brett will talk with the club about other ideas they might have.

III. Board Action- None

IV. Old Business-

Update was given on Glenstone Park project. Donation of trees by Toro will be added this Fall. Contractor will need to replace the dead trees that didn't make it after being transplanted. Park contractor is going to add seesaw to another park and has installed the sand digger already. Big rock will be added to Glenstone play area too as a show piece.

North Point Park project funds were approved. FOX Engineering is hoping to connect the trails out there soon.

Park Board Members were asking about the Tree Board and an update on that.

V. New Business-

Next Meeting – Wednesday October 22, 2014 at 5:30 at Grimes City Hall

IV. Adjournment-

Meeting Adjourned at 6:15
