

North James Street & Bridge Improvements

Weekly Construction Update – Grimes, IA

The intent of this weekly update is to give an overview of work completed and a projection of work in the following week. It is intended to be a general overview and be tentative in nature. Things may differ from the listed schedule if weather or other unknown factors come into play.

Weekly Overview: June 12 Monday – June 17 Saturday

- Two of three lanes of North James St were paved from NE 14th Ct north to Beaverbrooke Blvd.
- Existing pavement was removed from the Little Beaver Creek bridge north to NE 22nd Circle.
- The contractor plans to work on Saturday, June 17 to prepare for more paving next week.

What to expect next week: June 19 Monday – June 24 Saturday

- The remaining width of North James St will be paved from NE 14th Ct north to Beaverbrooke Blvd.
- Paving is estimated to begin Tuesday June 20 at 7:00 a.m. The contractor will saw cut pavement joints later into the evening.
- The contractor will continue Phase 1 grading and storm sewer.
- Detours will remain the same. Please see the attached map.

What you need to know:

- Working hours are Monday-Friday (7:00 am to 9:00 pm). Work on the weekends and at night will require City approval.
- The contractor will notify property owners if work will impact access to property.
- Please do not remove any construction stakes located within the limits of work.
- During construction if property owners lose utility service, please contact your local service provider as follows:
 - Electric - MidAmerican Energy 1-888-427-5632
 - Gas - Black Hills Energy 1-888-890-5554
 - Cable, Internet, Telephone
 - CenturyLink 1-866-642-0444
 - Mediacom 1-800-332-0245
 - Sewer / Water – US Water
1-515-968-3176 (regular business hours)
1-515-822-4671 (emergency after hours)
- Construction projects are fluid in nature, and depend on many variables. Examples are poor weather, utility conflicts, unknown underground items, and fabrication schedules. While we will do our best to meet planned schedules, we appreciate your patience with unforeseen circumstances and understanding the possibility of changes to the schedule.

If you have any questions, please contact John Gade with FOX Engineering at 515-233-0000 or by email at jmg@foxeng.com.
