

# NE Main Street Improvements

## Weekly Construction Update – Grimes, IA

The intent of this weekly update is to give an overview of work completed and a projection of work in the following week. It is intended to be a general overview and be tentative in nature. Things may differ from the listed schedule if weather or other unknown factors come into play.

### **Weekly Overview:                      September 25 Monday – September 29 Friday**

- NE Main St. is closed to through traffic from NE 1<sup>st</sup> to NE 4<sup>th</sup>
- Some driveways were poured between NE 1<sup>st</sup> and NE 4<sup>th</sup>
- The connections to NE 2<sup>nd</sup> and NE 3<sup>rd</sup> were completed
- The contractor has started hauling in topsoil working from north to south on the east side of the street

### **What to expect next week:            October 2 Monday – October 6 Friday**

- The remaining driveways are expected to be poured
- Sidewalk replacement along the west side of the street will be started
- The contractor will continue hauling and spreading topsoil
- Proposed mailbox locations will be marked. Please review the proposed location and contact FOX Engineering if you have comments
- Seeding and installation of mailboxes may start

### **What you need to know:**

- **Expect the south paving phase (NE 1<sup>st</sup> to NE 5<sup>th</sup>) to reopen to regular traffic either late the week of Oct. 2<sup>nd</sup> or early the week of Oct. 9<sup>th</sup>.**
- We understand that construction is an inconvenience. If you have any questions regarding the construction in general or access to your property, please contact FOX Engineering at the number or e-mail below.
- Construction project schedules depend on many variables. Wet weather, utility conflicts, unknown underground conditions, and fabrication/delivery schedules all effect this type of work. We appreciate your patience and understanding during this project.
