

NE Main Street Improvements

Weekly Construction Update – Grimes, IA

The intent of this weekly update is to give an overview of work completed and a projection of work in the following week. It is intended to be a general overview and be tentative in nature. Things may differ from the listed schedule if weather or other unknown factors come into play.

This Weeks Overview: November 13 Monday – November 17 Friday

- Storm drain cleaning and televising finished up this week
- The contractor finished hauling and spreading topsoil
- The contractor continued cleaning up the site and the staging areas
- Mailbox posts were set, permanent mailboxes were installed
- Seeding and mulching was placed on the topsoil
- The contractor continued to work on misc. punchlist items

What to expect next week: November 20 Monday – November 24 Friday

- Final cleanup of the project
- Finish up misc. punchlist items

What you need to know:

- **Mail delivery for residents and businesses on NE Main St. is set to resume to permanent boxes placed on NE Main St. starting *tomorrow, Saturday 11/18*. The temporary mail locations will be removed early next week, please be sure to remove all of your mail from the temporary boxes this evening or *tomorrow morning*.**
- **Seeding will be reviewed in the spring; the contractor may need to reseed some areas if germination is not acceptable.**
- We understand that construction is an inconvenience. If you have any questions regarding the construction in general or access to your property, please contact FOX Engineering at the number or e-mail below.
- Construction project schedules depend on many variables. Wet weather, utility conflicts, unknown underground conditions, and fabrication/delivery schedules all effect this type of work. We appreciate your patience and understanding during this project.
If you have any questions, please contact John Washington with FOX Engineering at 515-233-0000 or by email at jgw@foxeng.com
