NATURAL GAS FRANCHISE

110.01 Franchise Granted	110.06 Quality
110.02 Excavation of Streets	110.07 Indemnification
110.03 Other Improvements	110.08 Default
110.04 Operation Standards	110.09 Term of Franchise
110.05 Power and Authority of City	

110.01 FRANCHISE GRANTED. MidAmerican Energy Company, its lessees, successors and assigns, hereinafter referred to as Grantee, are hereby granted a nonexclusive authority for a period of twenty-five (25) years to erect, construct, maintain and operate a gas distribution system, and any and all necessary mains, pipes, services and other appurtenances and equipment thereunto appertaining, in, upon, over, across and along the streets, alleys, bridges and public places in the City for the transmission, distribution and sale of natural and/or mixed gas for lighting, heating, industrial and all other uses or purposes in the City for the purpose of transmitting, transporting and conveying such gas into, through or beyond the immediate limits of said City to other cities and customers; and authorizing the City to collect franchise fees.

110.02 EXCAVATION OF STREETS. Whenever the Grantee, in the construction or maintenance of its system or in the installation of any extension thereto, shall cut into or take up any pavement or shall make any excavation in any street, avenue, alley or public place within the corporate limits of the City, the same shall be done in a manner so as not to unreasonably interfere with the use of such thoroughfares by the public. The Grantee shall use such safeguards as may be necessary to prevent injury to persons or property during such construction work and upon its completion, all pavement shall be replaced in as good condition as it was before taken up. All excavations shall be refilled and all obstructions shall be removed at the expense of the Grantee and to the satisfaction of the City. In the event that the Grantee shall fail to comply with the provisions of this section after having been given reasonable notice, the City may do such work as may be needed to properly repair said thoroughfare and the cost thereof shall be repaid to the City by the Grantee.

110.03 OTHER IMPROVEMENTS. The Grantee in constructing and maintaining said gas distribution system, and in entering and using said streets, highways, avenues, alleys and public places in the City and in laying and installing mains, services, piping and related appurtenances and equipment, shall not in any manner interfere with or injure any improvement which the City now has or may hereafter have upon any of its streets, alleys, highways or public places.

110.04 OPERATION STANDARDS. Grantee agrees for and on behalf of itself, its lessees, successors and assigns, that for and during the term and period of this grant, it will maintain in the City an adequate, modern, standard and sufficient gas system and equipment and to maintain and operate the same in a modern and adequate fashion. Grantee will from time to time during the term of the franchise make such enlargements and extensions of its distribution system as the business of the Grantee and the growth of the City justify, in accordance with its rules and regulations relating to customer connections and main and service line extensions currently in effect and on file from time to time with the State Utilities Board or other competent authority having jurisdiction in the premises; provided, however, that no obligation shall extend to, or be binding upon, the Grantee to construct or extend its mains or furnish natural gas or natural gas service within the City if Grantee is, for any reason, unable to obtain delivery of natural gas at or near the corporate limits of the City or an adequate supply thereof to warrant the construction or extension of its mains, for the furnishing of such natural gas or gas service; and provided further, that when the amount of naturally gas supplied to Grantee at or near the limits of the City is insufficient to meet the additional firm requirements of connected or new customers, Grantee shall have the right to prescribe reasonable rules and regulations for allocating the available supply of natural gas for such additional firm requirements to residential, commercial and industrial customers in that order of priority.

110.05 POWER AND AUTHORITY OF CITY. Grantee agrees for and on behalf of itself, its lessees, successors and assigns that all authority and rights in this chapter contained shall at all times be subject to all rights, powers and authority now or hereafter possessed by the City to regulate the manner in which Grantee shall use the streets, alleys, bridges and public places of the City and concerning the manner in which Grantee shall use and enjoy the franchise herein granted.

110.06 QUALITY. The Grantee shall, at all times, maintain an adequate pressure and supply of clean, standard gas of the British Thermal Unit heating value of not less than that prescribed in the rules and regulations relating thereto in effect and on file from time to time with the State Utilities Board or other competent authority having jurisdiction in the premises. Should the British Thermal Units fall below the limitation set forth in the appropriate rules and regulations, the rate then in effect shall be automatically and correspondingly lowered and reduced during any period or periods of time in which such lower British Thermal Unit shall be furnished. The City shall have the privilege of requesting Grantee to furnish satisfactory proof of British Thermal Unit content of the gas.

110.07 INDEMNIFICATION. The Grantee shall hold the City harmless from any and all claims and actions, litigation or damage arising out of the passage of the

ordinance codified by this chapter or of the construction, erection, installation, maintenance or operation of its properties operated by authority of this chapter within the corporate limits of the City or the negligence of its employees in the operation thereof, including the Court costs and reasonable attorney fees in making defense against such claims. A copy of the process served upon the City shall be served by the City upon the Grantee. The Grantee shall have the right to defend in the name of the City and to employ counsel for such purpose.

110.08 DEFAULT. If the Grantee shall be in default in the performance of any of the terms and conditions of this chapter and shall continue in default for more than thirty (30) days after receiving notice from the City of such default, the City may, by ordinance duly passed and adopted, terminate all rights granted under this chapter to the Grantee. The said notice of default shall specify the provision or provisions in the performance of which it is claimed the Grantee is in default. Said notice shall be in writing and served in the manner provided by the laws of the State for the service of original notices in civil actions.

110.09 TERM OF FRANCHISE. The right and authority herein granted shall be nonexclusive and shall continue for a period of twenty-five (25) years from and after the effective date of the ordinance codified by this chapter or until September 23, 2039.

#### EDITOR'S NOTE

Ordinance No. 636 adopting a gas franchise for the City was passed and adopted on September 23, 2014.

#### ORDINANCE NO.636

AN ORDINANCE GRANTING TO MIDAMERICAN ENERGY COMPANY, ITS SUCCESSORS AND ASSIGNS, THE RIGHT AND NON-EXCLUSIVE FRANCHISE TO ACQUIRE, CONSTRUCT, ERECT, MAINTAIN AND OPERATE IN THE CITY OF GRIMES, IOWA, A **NATURAL GAS SYSTEM** AND TO FURNISH AND SELL NATURAL GAS TO THE CITY AND ITS INHABITANTS AND AUTHORIZING THE CITY TO COLLECT FRANCHISE FEES FOR A PERIOD OF 25 YEARS.

BE IT ENACTED by the City Council of the City of Grimes, Iowa:

**Section 1.** There is hereby granted to MidAmerican Energy Company, an Iowa corporation, hereinafter called "Company," and to its successors and assigns the right and non-exclusive franchise to acquire, construct, erect,

maintain and operate in the City of Grimes, Iowa, hereinafter called the "City," a gas distribution system, to furnish natural gas along, under and upon the right-of-way, streets, avenues, alleys and public places to serve customers within and without the City and to furnish and sell natural gas to the City and its inhabitants. For the term of this franchise, the Company is granted the right of eminent domain, the exercise of which is subject to City Council approval upon application by the Company. This franchise shall be effective for a twenty-five (25) year period from and after the effective date of this ordinance.

**Section 2.** The rights and privileges hereby granted are subject to the restrictions and limitations of Chapter 364 of the Code of Iowa 2013, or as subsequently amended or changed.

**Section 3.** Company shall have the right to excavate in any public street for the purpose of laying, relaying, repairing or extending gas pipes, mains, conduits, and other facilities provided that the same shall be so placed as not to unreasonably interfere with the construction of any water pipes, drain or sewer which have been or may hereafter be located by authority of the City.

**Section 4.** The Company shall, excluding facilities located in private easements (whether titled in Company exclusively or in Company and other entities), in accordance with Iowa law including Company's tariff on file with and made effective by the Iowa Utilities Board as may subsequently be amended ("Tariff") , at its cost and expense, locate and relocate its existing facilities or equipment in, on, over or under any public street or alley in the City in such a manner as the City may reasonably require for the purposes of facilitating the construction reconstruction, maintenance or repair of the street or alley. Relocation expenses for other hard surfaces, including pedestrian and non-motorized vehicle pathways, will be paid by the City. If the City has a reasonable alternative route for the street, alley or public improvements or an alternative construction method, which would not cause the relocation of the Company installations, the City shall select said alternative route, or construction method. The City shall be responsible for surveying and staking the right-of-way for City

projects that require the Company to relocate Company facilities. If requested the City shall provide, at no cost to the Company, copies of its relocation plan and profile and cross section drawings. If tree removals must be completed by the City as part of the City's project and are necessary whether or not utility facilities must be relocated, the City at its own cost shall be responsible for said removals. If the timing of the tree removals does not coincide with the Company facilities relocation schedule and Company must remove trees that are included in the City's portion of the project, the City shall either remove the trees at its cost or reimburse the Company for the expenses incurred to remove said trees. If project funds from a source other than the City are available to pay for the relocation of utility facilities, the City shall attempt to secure said funds and provide them to the Company to compensate the Company for the costs of relocation.

**Section 5.** In making excavations in any streets, avenues, alleys and public places for the installation of gas pipes, conduits or apparatus, Company shall not unreasonably obstruct the use of the streets and shall replace the surface, restoring it to the condition as existed immediately prior to excavation. Company agrees any replacement of road surface shall conform to current City code regarding its depth and composition. The Company shall not be required to restore or modify public right of way, sidewalks or other areas in or adjacent to the Company project to a condition superior to its immediate previously existing condition or to a condition exceeding its previously existing condition to the extent any alterations are required for the City to comply with city, state or federal rules, regulations or laws.

**Section 6.** Vacating a street, avenue, alley, public ground or public right-of-way shall not deprive the Company of its right to operate and maintain existing facilities on, below, above, or beneath the vacated property. Prior to the City abandoning or vacating any street, avenue, alley or public ground where the Company has facilities in the vicinity, the City shall provide Company with not less than sixty (60) days advance notice of the city's proposed action and, upon

request grant the Company a utility easement covering existing and future facilities and activities. If the City fails to grant the Company a utility easement for said facilities prior to abandoning or vacating a street, avenue, alley or public ground, the City shall at its cost and expense obtain easements for existing Company facilities.

**Section 7.** The Company shall not be required to relocate, at its cost and expense, Company facilities in the public right of way that have been relocated at Company expense at the direction of the City at any time during the previous ten (10) years.

**Section 8.** Pursuant to relocation of Company facilities as may be required by Sections 3, 4, 5, 6 and 7 of this Ordinance, if the City orders or requests the Company to relocate its existing facilities or equipment in order to directly or indirectly facilitate the project of a commercial or private developer or other non-public entity, City shall reimburse or the City shall require the developer or non-public entity to reimburse the Company for the cost of such relocation as a precondition to relocation. The Company shall not be required to relocate in order to facilitate such private project at its expense.

**Section 9.** The Company shall indemnify and save harmless the City from any and all claims, suits, losses, damages, costs or expenses, on account of injury or damage to any person or property, to the extent caused or occasioned by the Company's negligence in construction, reconstruction, excavation, operation or maintenance of the natural gas facilities authorized by this franchise; provided, however, that the Company shall not be obligated to defend, indemnify and save harmless the City for any costs or damages to the extent arising from the negligence of the City, its officers, employees or agents.

**Section 10.** Upon reasonable request the Company shall provide the City, on a project specific basis, information indicating the horizontal location, relative to boundaries of the right of way, of all equipment which it owns or over which it has control that is located in city right of way, including documents, maps and other information in paper or electronic or other forms ("Information"). The

Company and City recognize the Information may in whole or part be considered a confidential record under state or federal law or both. Therefore, the City shall not release any Information without prior consent of the Company and shall return the Information to Company upon request. City recognizes that Company claims the Information may constitute a trade secret or is otherwise protected from public disclosure by state or federal law on other grounds and agrees to retain the Information in its non-public files. Furthermore, the City agrees that no documents, maps or information provided to the City by the Company shall be made available to the public or other entities if such documents or information are exempt from disclosure under the provisions of the Freedom of Information Act, the Federal Energy Regulatory Commission Critical Energy Infrastructure requirements pursuant to 18 CFR 388.112 and 388.113, or Chapter 22 of the Code of Iowa, as such statutes and regulations may be amended from time to time.

**Section 11.** The Company shall extend its mains and pipes and operate, and maintain the system in accordance with the applicable regulations of the Iowa Utilities Board or its successors and Iowa law.

**Section 12.** During the term of this franchise, the Company shall furnish natural gas in the quantity and quality consistent and in accordance with the applicable regulations of the Iowa Utilities Board the Company's tariff made effective by the Iowa Utilities Board or its successors and Iowa law.

**Section 13.** All reasonable and proper police regulations shall be adopted and enforced by the City for the protection of the facilities of the Company.

**Section 14.** Pursuant to the tariff, there is hereby imposed upon the Company a franchise fee of \_\_\_\_\_ percent (\_\_\_ %) upon gross revenue of the Company, minus uncollectible accounts, derived from the distribution, transmission and retail sale of natural gas by the Company to customers within the corporate limits of the City. Franchise fees shall be remitted on or before the

last business day of the month following the close of the calendar quarter in which fees were charged.

**Section 15.** The City may, as allowed by Iowa law, exempt customers of sales from imposition of the franchise fee, or modify, decrease or eliminate the franchise fee. The City reserves the right to cancel any or all the franchise fee exemptions and also reserves the right to grant exemptions in compliance with Iowa law and Section 17 of this ordinance. The City does therefore exempt the customer classes in Section 14 from paying franchise fees.

- **Customer classes exempted by the City at time of imposing a franchise fee percentage greater than zero (0) percent:**

**Section 16.** The City recognizes the administrative burden collecting franchise fees imposes upon the Company and the Company requires lead time to commence collecting said franchise fees. The Company will commence collecting franchise fees on or before the first Company billing cycle of the first calendar month following ninety (90) days of receipt of information required of the City to implement the franchise fee, including the City's documentation of customer classes subject to or exempted from City-imposed franchise fee. The City shall provide the information and data required in a form and format acceptable to the Company. The Company will, if requested by the City, provide the City with a list of premises considered by the Company to be within the corporate limits of the City.

**Section 17.** The City shall be solely responsible for identifying customer classes subject to or exempt from paying the City imposed franchise fee. The City shall be solely responsible for notifying Company of its corporate limits, including, over time, annexations or other alterations thereto, and customer classes that it wishes to subject to, or to the extent permitted by law, exempt from paying the franchise fee. The City shall provide to the Company, by certified mail, copies of annexation ordinances in a timely manner to ensure appropriate franchise fee collection from customers within the corporate limits of the City. The Company shall have no obligation to collect franchise fees from customers in

annexed areas until and unless such ordinances have been provided to the Company by certified mail. The Company shall commence collecting franchise fees in the annexed areas no sooner than 60 days after receiving annexation ordinances from the City.

**Section 18.** The City agrees to modify the level of franchise fees imposed only once in any 24-month period. Any such ordinance exempting classes of customers, increasing, decreasing, modifying or eliminating the franchise fee shall become effective, and billings reflecting the change shall commence on an agreed upon date which is not less than sixty (60) days following written notice to the Company by certified mail. The Company shall not be required to implement such new ordinance unless and until it determines that it has received appropriate official documentation of final action by the city council.

**Section 19.** The City shall indemnify the Company from claims of any nature arising out of or related to the imposition and collection of the franchise fee. In addition, the Company shall not be liable for collecting franchise fees from any customer originally or subsequently identified, or incorrectly identified, by the City as being subject to the franchise fee or being subject to a different level of franchise fees or being exempt from the imposition of franchise fees.

**Section 20.** The Company shall remit franchise fee revenues to the City no more frequently than on or before the last business day of the month following each quarter as follows.

- January, February and March
- April, May and June
- July, August and September, and
- October, November and December

MidAmerican shall provide City with notice at least 30 days in advance of any changes made in this collection schedule, including any alterations in the calendar quarters or any other changes in the remittance periods.

**Section 21.** The City recognizes that the costs of franchise fee administration are not charged directly to the City and agrees it shall, if required by the Company, reimburse the Company for any initial or ongoing costs incurred by the Company in collecting franchise fees that Company in its sole opinion deems to be in excess of typical costs of franchise fee administration.

**Section 22.** The Company shall not, under any circumstances be required to return or refund any franchise fees that have been collected from City customers and remitted to the City. In the event the Company is required to provide data or information in defense of the City's imposition of franchise fees or the Company is required to assist the City in identifying customers or calculating any franchise fee refunds for groups of or individual customers, the City shall reimburse the Company for the expenses incurred by the Company to provide such data or information.

**Section 23.** The obligation to collect and remit the fee imposed by this ordinance is modified or repealed if:

1. Any other person is authorized to sell natural gas at retail to City consumers and the City imposes a franchise fee or its lawful equivalent at zero or a lesser rate than provided in this ordinance, in which case the obligation of Company to collect and remit franchise fee shall be modified to zero or the lesser rate;
2. The City adds additional territory by annexation or consolidation and is unable or unwilling to impose the franchise fee upon all persons selling natural gas at retail to consumers within the additional territory, in which case the franchise fee imposed on the revenue from sales by Company in the additional territory shall be zero or equal to that of the lowest fee being paid by any other retail seller of natural gas within the City; or
3. Legislation is enacted by the Iowa General Assembly or the Supreme Court of Iowa issues a final ruling regarding franchise fees or the Iowa Utilities Board issues a final nonappealable order (collectively, "final franchise fee action") that modifies, but does not repeal, the ability of the City to impose a franchise fee or the ability of Company to collect from City customers and remit franchise fees to City. Within 60 days of final franchise fee action, the City shall notify Company and the parties shall meet to determine whether this ordinance can be revised, and, if so, how to revise the franchise fee on a continuing basis to meet revised legal requirements.

After final franchise fee action and until passage by the City of revisions to the franchise fee ordinance, Company may temporarily discontinue collection and remittance of the franchise fee if in its sole opinion it believes it is required to do so in order to comply with revised legal requirements.

The other provisions of this ordinance to the contrary notwithstanding, the Company shall be completely relieved of its obligation to collect and remit to the City the franchise fee as, effective as the date specified below with no liability therefor under each of any of the following circumstances as determined to exist in the sole discretion of Company:

1. Any of the imposition, collection or remittance of a franchise fee is ruled to be unlawful by the Supreme Court of Iowa, effective as of the date of such ruling or as may be specified by that Court.
2. The Iowa General Assembly enacts legislation making imposition, collection or remittance of a franchise fee unlawful, effective as of the date lawfully specified by the General Assembly.
3. The Iowa Utilities Board, or its successor agency, denies the Company the right to impose, collect or remit a franchise fee provided such denial is affirmed by the Supreme Court of Iowa, effective as of the date of the final agency order from which the appeal is taken.

**Section 24.** Upon implementation of a franchise fee the City shall not, pursuant to Chapter 480A.6 of the Code of Iowa, impose or charge Company right of way management fees for permits for Company construction, maintenance, repairs, excavation, pavement cutting or inspections of Company work sites and projects or related matters.

**Section 25.** Either City or Company ("party") may terminate this franchise if the other party shall be materially in breach of its provisions. Upon the occurrence of a material breach, the non-breaching party shall provide the breaching party with notification by certified mail specifying the alleged breach. The breaching party shall have sixty (60) days to cure the breach, unless it notifies the non-breaching party, and the parties agree upon a shorter or longer period for cure. If the breach is not cured within the cure period, the non-breaching party may terminate this franchise. A party shall not be considered to be in breach of this franchise if it has operated in compliance with state or

federal law. A party shall not be considered to have breached this franchise if the alleged breach is the result of the actions of a third party or the other party.

**Section 26.** If any section, provision, or part of this ordinance shall be adjudged to be invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision, or part thereof not adjudged invalid or unconstitutional.

**Section 27.** This ordinance and the rights and privileges herein granted shall become effective and binding upon its approval and passage in accordance with Iowa law and the written acceptance by the Company. The City shall provide Company with an original signed and sealed copy of this ordinance within 10 days of its final passage. The Company shall, within thirty (30) days after the City Council approval of this ordinance, file in the office of the clerk of the City, its acceptance in writing of all the terms and provisions of this ordinance. Following City Council approval, this ordinance shall be published in accordance with the Code of Iowa. The effective date of this ordinance shall be the date of publication. In the event that MidAmerican Energy Company does not file its written acceptance of this ordinance within thirty (30) days after its approval by the City Council this ordinance shall be void and of no effect.

**Section 28.** Upon the effective date of this ordinance, all prior natural gas franchises granted to the Company to furnish natural gas to the City and its inhabitants are hereby repealed and all other ordinances or parts of ordinances in conflict herewith are also hereby repealed.

(OFFICIAL SEAL)

City Clerk

Ordinance No. 654 adopting a gas franchise for the City was passed and adopted on April 12, 2016.

**Ordinance No. 654**

**An Ordinance granting Black Hills/Iowa Gas Utility Company, LLC d/b/a Black Hills Energy, a Delaware corporation, its lessees, successors and assigns, a natural gas franchise and the authority to construct, operate, maintain, and extend a natural gas distribution plant and system, and granting the right to use the streets, alleys, and other public places within the present or future corporate limits of the City of Grimes, Iowa**

Be it ordained by the City Council of the City of Grimes, Iowa, as follows:

**FRANCHISE GRANTED**

The City of Grimes, Iowa (hereinafter referred to as "Grantor"), hereby grants a non-exclusive franchise to Black Hills/Iowa Gas Utility Company, LLC d/b/a Black Hills Energy, a Delaware limited liability corporation (hereinafter called "Grantee"),

its lessees, successors and assigns. Grantee is hereby granted the right, privilege, franchise, permission and authority to lay, construct, install, maintain, operate and extend in, along, over, above or across the present and future streets, alleys, avenues, bridges, public rights-of-way and public easements as are now within the present or future limits of said Grantor, a natural gas distribution system and all facilities necessary for the purpose of supplying natural gas or processed gas and other operations connected therewith or incident thereto for all purposes to the inhabitants of said Grantor and consumers in the vicinity thereof, and for the distribution of natural gas from or through said Grantor to points beyond the limits thereof. Such facilities shall include, but not be limited to, all mains, services, pipes, poles, communication devices, conduits and all other apparatus and appliances necessary or convenient for transporting, distributing and supplying natural gas for all purposes for which it may be used, and to do all other things necessary and proper in providing natural gas service to the inhabitants of Grantor and in carrying on such business.

#### **TERM**

The rights and privileges granted hereunder shall remain in effect for a period of twenty five (25) years from the effective date of this Ordinance.

#### **FRANCHISE FEES OR TAXES**

Grantor may, during the term of this franchise, in its discretion, in compliance with and as authorized by state law, after public hearing and upon a majority vote of a majority of the members of the Grantor's City Council then present, pass an ordinance imposing a franchise fee on Grantee's customers located within Grantor's corporate limits; provided, however, that the franchise fee shall not be effective, and Grantee shall not be obligated to collect and pay same, unless and until: (1) it is satisfactory to Grantee with respect to its compatibility with Grantee's billing system; (2) the form of assessment and collection of the franchise fee is based on either: (a) a percentage of Grantee's gross receipts of regulated sales or transportation revenues collected from Grantee's customers within Grantor's corporate limits; (b) a volumetric fee based upon Grantee's delivery of energy within Grantor's corporate limits; or (c) a flat fee collected on a nondiscriminatory basis from each of Grantee's customers within Grantor's corporate limits; and (3) Grantor has imposed a franchise fee on all other parties supplying energy within Grantor's corporate limits, calculated in the same manner as the franchise fee imposed on Grantee's customers.

#### **GOVERNING RULES AND REGULATIONS**

The franchise granted hereunder is subject to all conditions, limitations and immunities now provided for, or as hereafter amended, and applicable to the operations of a public utility, by state or federal law. The rates to be charged by Grantee for service within the present or future corporate limits of Grantor and

the rules and regulations regarding the character, quality and standards of service to be furnished by Grantee, shall be under the jurisdiction and control of such regulatory body or bodies as may, from time to time, be vested by law with authority and jurisdiction over the rates, regulations and quality and standards of service to be supplied by Grantee. Provided however, should any judicial, regulatory or legislative body having proper jurisdiction take any action that precludes Grantee from recovering from its customers any cost associated with services provided hereunder, then Grantee and Grantor shall renegotiate the terms of this Ordinance in accordance with the action taken. In determining the rights and duties of the Grantee, the terms of this Ordinance shall take precedence over any conflicting terms or requirements contained in any other ordinance enacted by the Grantor.

### **PROVISION FOR INADEQUATE ENERGY SUPPLIES**

If an energy supplier is unable to furnish an adequate supply of energy due to an emergency, an order or decision of a public regulatory body, or other acts beyond the control of the Grantee, then the Grantee shall have the right and authority to adopt reasonable rules and regulations limiting, curtailing or allocating extensions of service or supply of energy to any customers or prospective customers, and withholding the supply of energy to new customers, provided that such rules and regulations shall be uniform as applied to each class of customers or prospective customers, and shall be non-discriminatory as between communities receiving service from the Grantee.

### **CONSTRUCTION AND MAINTENANCE OF GRANTEE'S FACILITIES**

Any pavements, sidewalks or curbing taken up and any and all excavations made shall be done in such a manner as to cause only such inconvenience to the inhabitants of Grantor and the general public as is reasonably necessary, and repairs and replacements shall be made promptly by Grantee, leaving such properties in as good as condition as existed immediately prior to excavation.

Grantee agrees that for the term of this franchise, it will use its best efforts to maintain its facilities and equipment in a condition sufficient to meet the current and future energy requirements of Grantor, its inhabitants and industries. While maintaining its facilities and equipment, Grantee shall obtain permits as required by ordinance and will fix its excavations within a commercially reasonable time period, except that in emergency situations Grantee shall take such immediate unilateral actions as it determines are necessary to protect the public health, safety, and welfare; in which case, Grantee shall notify Grantor as soon as reasonably possible. Within a reasonable time thereafter, Grantee shall request and Grantor shall issue any permits or authorizations required by Grantor for the actions conducted by Grantee during the emergency situation.

Grantor will give Grantee reasonable notice of plans for street improvements where paving or resurfacing of a permanent nature is involved that affects Grantee's facilities. The notice shall contain the nature and character of the improvements, the rights-of-way upon which the improvements are to be made, the extent of the improvements, and the time when the Grantor will start the work, and, if more than one right-of-way is involved, the order in which the work is to proceed. The notice shall be given to the Grantee as soon as practical in advance of the actual commencement of the work, considering seasonable working conditions, to permit the Grantee to make any additions, alterations, or repairs to its facilities.

#### **EXTENSION OF GRANTEE'S FACILITIES**

Upon receipt and acceptance of a valid application for service, Grantee shall, subject to its own economic feasibility criteria as approved by the Iowa Utilities Board make reasonable extensions of its distribution facilities to serve customers located within the current or future corporate limits of Grantor.

#### **RELOCATION OF GRANTEE'S FACILITIES**

If Grantor elects to change the grade of or otherwise alter any street, alley, avenue, bridge, public right-of-way or public place for a public purpose, unless otherwise reimbursed by federal, state or local legislative act or governmental agency, Grantee, upon reasonable notice from Grantor, shall remove and relocate its facilities or equipment situated in the public rights-of-way, at the cost and expense of Grantee, if such removal is necessary to prevent interference with Grantor's facilities.

If Grantor orders or requests Grantee to relocate its facilities or equipment for the primary benefit of a commercial or private project, or as a result of the initial request of a commercial or private developer or other non-public entity, and such removal is necessary to prevent interference with such project, then Grantee shall receive payment for the cost of such relocation as a precondition to relocating its facilities or equipment.

Grantor shall consider reasonable alternatives in designing its public works projects and exercising its authority under this section so as not to arbitrarily cause Grantee unreasonable additional expense. If alternative public right-of-way space is available, Grantor shall also provide a reasonable alternative location for Grantee's facilities. Grantor shall give Grantee written notice of an order or request to vacate a public right-of-way; provided, however, that its receipt of such notice shall not deprive Grantee of its right to operate and maintain its existing facilities in such public right-of way until it (a) if applicable, receives the reasonable cost of relocating the same and (b) obtains a reasonable

public right-of-way, dedicated utility easement, or private easement alternative location for such facilities.

### **CONFIDENTIAL INFORMATION**

Grantor acknowledges that certain information it might request from Grantee pursuant to this Ordinance may be of a proprietary and confidential nature, and that such requests may be subject to the Homeland Security Act or other confidentiality protections under state or federal law. If Grantee requests that any information provided by Grantee to Grantor be kept confidential due to its proprietary or commercial value, Grantor and its employees, agents and representatives shall maintain the confidentiality of such information, to the extent allowed by law. If Grantor is requested or required by legal or administrative process to disclose any such proprietary or confidential information, Grantor shall promptly notify Grantee of such request or requirement so that Grantee may seek an appropriate protective order or other relief.

### **FORCE MAJEURE**

It shall not be a breach or default under this Ordinance if either party fails to perform its obligations hereunder due to force majeure. Force majeure shall include, but not be limited to, the following: 1) physical events such as acts of God, landslides, lightning, earthquakes, fires, freezing, storms, floods, washouts, explosions, breakage or accident or necessity of repairs to machinery, equipment or distribution or transmission lines; 2) acts of others such as strikes, work-force stoppages, riots, sabotage, insurrections or wars; 3) governmental actions such as necessity for compliance with any court order, law, statute, ordinance, executive order, or regulation promulgated by a governmental authority having jurisdiction; and (4) any other causes, whether of the kind herein enumerated or otherwise not reasonably within the control of the affected party to prevent or overcome. Each party shall make reasonable efforts to avoid force majeure and to resolve such event as promptly as reasonably possible once it occurs in order to resume performance of its obligations hereunder; provided, however, that this provision shall not obligate a party to settle any labor strike.

### **HOLD HARMLESS**

Grantee, during the term of this Ordinance, agrees to save harmless Grantor from and against all claims, demands, losses and expenses arising directly out of the negligence of Grantee, its employees or agents, in constructing, operating, and maintaining its distribution and transmission facilities or equipment; provided, however, that Grantee need not save Grantor harmless from claims, demands, losses and expenses arising out of the negligence of Grantor, its employees or agents.

**SUCCESSORS AND ASSIGNS**

All rights, privileges and authority granted to Grantee hereunder shall inure to the benefit of Grantee's lessees, successors and assigns, subject to the terms, provisions and conditions herein contained, and all obligations imposed upon Grantee hereunder shall be binding upon Grantee's lessees, successors and assigns.

**NO THIRD PARTY BENEFICIARIES**

This Ordinance constitutes a franchise agreement between the Grantor and Grantee. No provision of this Ordinance shall inure to the benefit of any third person, including the public at large, so as to constitute any such person as a third party beneficiary of the agreement or of any one or more of the terms hereof, or otherwise give rise to any cause of action for any person not a party hereto.

**SEVERABILITY**

If any clause, sentence or section of this Ordinance is deemed invalid by any judicial, regulatory or legislative body having proper jurisdiction, the remaining provisions shall not be affected.

**NON WAIVER**

Any waiver of any obligation or default under this Ordinance shall not be construed as a waiver of any future defaults, whether of like or different character.

**REPEAL CONFLICTING ORDINANCES**

This Ordinance, when accepted by Grantee as provided below, shall constitute the entire agreement between the Grantor and the Grantee relating to the franchise granted by Grantor hereunder, and the same shall supersede all prior ordinances relating thereto, and any terms and conditions of such prior ordinances or parts of ordinances in conflict herewith are hereby repealed. Ordinance No. 294 of the City of Grimes, Iowa, is hereby repealed as of the effective date hereof.

**EFFECT AND INTERPRETATION OF ORDINANCE**

The captions that precede each section of this Ordinance are for convenience and/or reference only and shall not be taken into consideration in the interpretation of any of the provisions of this Ordinance.

**EFFECTIVE DATE AND ACCEPTANCE**

This Ordinance shall become effective and be a binding contract between the Grantor and Grantee upon its final passage and approval by Grantor, in accordance with applicable laws and regulations, and upon Grantee's acceptance

by written instrument, within sixty (60) days of passage by the city council, and filing with the Clerk of the City of Grimes, Iowa. The Clerk of the City of Grimes, Iowa shall sign and affix the community seal to acknowledge receipt of such acceptance, and return one copy to Grantee. If Grantee does not, within sixty (60) days following passage of this Ordinance, either express in writing its objections to any terms or provisions contained therein, or reject this Ordinance in its entirety, Grantee shall be deemed to have accepted this Ordinance and all of its terms and conditions.

Passed and approved by the city council of the City of Grimes, Iowa, this 12th day of April, 2016.
